Dialogue between

MAWMAA, 1MTT&CC and MMSOS

Dialog between Malaysian Automotive Workshop Marketing Agency Association (MAWMAA), 1Malaysia Tow Truck & Car Carrier (1MTT&CC) and MMSOS has been fruitful.

The current market environment have not deliver into the fullness toward the Malaysia community. This has created challenges between the user and company that provide service. It is because most of the people do not understand the protocol when incident happen during the free way. To fulfill the user lack of the knowledge and channel.

MMSOS
365 CARE SUPPORT

In this dialog, we discussed the protocol during the incident and how MAWMAA and 1MTT&CC work with MMSOS to provide a better experience for members. When your car breakdown, you can access to our 24 hours Auto Assistance.

We will contact with MAWMAA and 1MTT&CC and arrange the nearest tow truck for you. There will be an assurance for the services and rational price range. Any incident related to the accident case will be arranged. MMSOS have created a platform to address those challenges to assist in every step of procedure. This service helps the community to solve their problem during emergency.

We trust that through this dialog, the collaboration between MAWMAA and 1MTT&CC with MMSOS will bring more to our MMSOS members and Malaysia Community.
